

CLX Wipes

For healthier skin this allergy season.

CLX Wipes are an easy-to-use antibacterial and antifungal soothing skin wipe for dogs and cats. Ideal for managing bacterial and fungal skin problems on localised areas such as:

- Paws
- Lip Folds
- Ear Pinna
- Armpits
- Facial Folds
- Tail Folds
- Groin
- Vulva Folds

Used daily, CLX Wipes can help promote healthy skin in animals prone to symptoms associated with environmental and food allergies (e.g. paw licking) and skin disorders due to anatomical features (e.g. skin fold odour). Ideal for long-term use to prevent skin flare-ups.

CLX Wipes contain:

- Chlorhexidine
- Tris EDTA
- Zinc Gluconate
- Glycerine
- Climbazole
